

G7 Leaders' Statement on the Missile Attack on a Shopping Mall in Kremenchuck

Elmau, 27 June 2022

We, the Leaders of the G7, solemnly condemn the abominable attack on a shopping mall in Kremenchuk. We stand united with Ukraine in mourning the innocent victims of this brutal attack.

Indiscriminate attacks on innocent civilians constitute a war crime. Russian President Putin and those responsible will be held to account.

Today, we underlined our unwavering support for Ukraine in the face of the Russian aggression, an unjustified war of choice that has been raging for 124 days. We will continue to provide financial, humanitarian as well as military support for Ukraine, for as long as it takes.

We will not rest until Russia ends its cruel and senseless war on Ukraine.
